The screenshot shows the IBM Cognos Analytics with Watson home page. At the top, a blue progress bar indicates the file 'test_data.csv...' is being read. Below the progress bar, the main content area features a welcome message: 'Hello. Welcome to Cognos Analytics with Watson.' followed by instructions to get started via an introduction video, product tour, or Getting Started tab. There are two buttons: 'Watch video' and 'Take a product tour'. To the right is a large graphic of blue cubes. Below the main content is a 'Quick launch' section with four tiles: 'Upload data' (with an upward arrow icon), 'Prepare data' (with a cube icon), 'Exploration' (with a magnifying glass icon), and 'Present data' (with a bar chart icon).

The screenshot shows the IBM Cognos Analytics with Watson home page after the file upload is complete. A green progress bar now displays the message 'test_data.csv was uploaded successfully.' with 'Hide Details' and 'Dismiss' buttons. The rest of the page, including the welcome message, 'Watch video' and 'Take a product tour' buttons, and the 'Quick launch' section with its four tiles, remains the same as in the previous screenshot.
